Joe Kwiatkowski,

The registration for PRECISION JOINING TECHNOLOGIES INC / RX1EU2455DA6 / 7LJZ8 is now active in the U.S. federal government's System for Award Management (SAM.gov). If you did not provide a Commercial and Government Entity (CAGE) Code during the registration process, one has been assigned to you by the Defense Logistics Agency (DLA) CAGE Program.

To remain eligible to do business with the federal government, you must renew your entity's registration in SAM.gov every year. The annual renewal date for the registration is 2025-03-04 16:37:06.884.

You may invite additional users to manage or review your entity registration by following these steps:

1. Go to the [SAM.gov](https://sam.gov) website and sign in
2. On your Workspace page, scroll down to the "User Directory"
3. Enter the email address of the user you want to invite and select the email address from the list
4. On the next page, select the "Assign Role" button in the top right corner of the page
5. On the assign role page, follow the instructions provided and then select "Send Invitation" at the bottom of the page
6. The user will be notified

All invitees will receive an email message from SAM.gov with instructions on how to complete the process.

Remember, it is free to register in SAM.gov. Get free help at [SAM.gov](https://sam.gov) in the "Help" section and at the [Federal Service Desk \(FSD\)](https://sam.gov) where you will find SAM.gov user guides, quick start guides, helpful hints, videos, and frequently asked questions. If you are going through entity validation at SAM.gov for the first time and have questions, visit [this list of FAQs](#).

In addition, if you are located in the U.S. and its outlying areas, you can get FREE support from your local [APEX Accelerator](#) (formerly known as PTAC), an official resource for government contracting assistance. Go to <https://www.apexaccelerators.us> to find your closest office.
